

GET PAID TO LEARN THROUGH TTC!

Paid Youth Apprenticeship Opportunities

Trident Technical College together with regional employers are offering rising high school juniors and seniors the opportunity to get paid to learn as youth apprentices. Apprentices receive paid on-the-job training with in-the-classroom instruction as dual credit students through TTC's Workforce Academies. All tuition and costs for youth apprentices are covered by the Charleston Metro Chamber of Commerce.

Apprenticeship opportunities are available in the following areas:

<i>Culinary Arts</i>	<i>Boat Manufacturing/Fiberglass Finishing</i>	<i>HVAC</i>
<i>Hotel Operations</i>	<i>Junior Computer Programming</i>	<i>Computer Networking</i>
<i>Medical Office Assisting</i>	<i>Machine Tool Technology</i>	<i>Industrial Mechanics</i>

Interested students and parents are encouraged to attend one of our **Parent Night Information Sessions** in the spring to find out more information and meet participating employers:
