

What does being a girl boss entail?

- Attending a week-long immersion camp on either the east coast at Old Dominion University or in the mid-west
- Working throughout the year on a business idea with a local mentor and monthly assignments and webinars
- Earning enough points to attend the Entrepreneur Institute in Washington D.C. for an all-expense paid experience with successful girl bosses!

Girls currently in the 4th-6th grade are invited to apply! Once girls are in the program, they can continue with us **until they graduate from high school.**

Transportation will be provided for all camp sessions upon acceptance and camp session assignment, according to your cohort and home city location. **Contact ELG** to find out which camp session we have reserved for you.
