

## STEM News

### Summer Highlights

When asked to describe his summer, Isaiah Dunbar would say, "It was STEMtastic." Isaiah along with 10 other scholars from North Charleston Elementary, Morningside Middle, and the Liberty Hill community had the opportunity to experience STEM (science, technology, engineering, and math) enrichment at its best. The cohort participated in STEM and STEAM camps at the Citadel, Trident Technical College, Palmetto Scholars- SC Governor's School, and the Innovators STEM program. Students were exposed to everything from coding and programming, to biomimicry and 3D printing. Hats off to our next generation STEM Stars!

*Jimena Garcia, Deysi Sanchez, and Xavier Fields - Citadel STEAM Camp*

*Keshawn Clark- Citadel STEAM Camp, Isaiah Dunbar-ITeams Camp- SC Governors School, Matthew Middleton-Camp Innovators*

*Davontay Pelzer, Faith Nelson, and Jonathan Gonzales-Citadel STEAM Camp*
