County SCHOOL DISTRICT

**David E. Looper & Company Offering Paid
Summer Internships Focused on
Commercial Construction Careers**

LOCATION: Charleston offices at 2089 Wambaw Creek, off Clements Ferry Rd. and various worksites in the Trident region.

Charleston County School District is thankful to partner with David E. Looper & Company to offer internships for high school seniors interested in learning about the commercial construction industry. David E. Looper & Company is an unlimited general contractor performing work in seven states throughout the south east. Students chosen for this opportunity will support field superintendents on a job site and will also have the opportunity to work with a project manager.

Rising Seniors applying must have independent transportation and be available during the day Mon-Fri without interruption.

Students interested in applying for this Work-based Learning opportunity to earn high school credit while getting paid should speak with their teacher, school counselor, and parents before applying.
