

**Charleston Regional
Youth Apprenticeships**
AT TRIDENT TECHNICAL COLLEGE

CONTENT CREATOR

Get paid to learn how to develop and produce social media content. For this exciting opportunity, youth apprentices will work at a local production studio where they will learn how to produce audio, film, and photograph content for social media platforms.

FREE
All tuition and costs associated with the Charleston Regional Youth Apprenticeship program are free of charge for youth apprentices.

WHAT YOU EARN

- Two Trident Technical College Certificates in Film, Media, Design
- 30 college credits
- Two years of paid experience
- National credential from the U.S. Department of Labor

Build an exciting career in content creation using your creativity skills!
